

ACCESS YOUR CARE
Life on your terms

Role Profile & Person Specification	
Job Title:	Overnight Community Care Assistant
Role Purpose:	The role of a Bank Overnight Community Care Assistant is to provide a sitting service within client's homes without direct supervision to follow individual care plans providing personal care and support.
Company:	Access Your Care Ltd
Reporting to:	Registered Manager
Who we are:	<p>Access Your Care is a home care and all round home support agency based in Clevedon, we cover all major towns and villages within North Somerset.</p> <p>The company was formed because we are passionate about enabling people to remain independent in their own homes, offering services which have been shaped by the local community, for the local community since 2011. Our vision is to continue to develop innovate services offering the reassurance of a timely and proactive response to essential social care needs.</p>
What we do:	<p>We provide a range of services such as traditional and more specialist care, overnight care, shopping, cleaning, sitting and welfare visits, key safe fittings and much more. We also hold the contract for North Somerset's 'Carelink' 24 hour pendant service, offering a 24hour emergency care response service. We work with individuals who are self funding their own care as well as being commissioned by North Somerset Council and the local Clinical Commissioning Group and nursing teams. We cover all major towns and villages in North Somerset therefore our workload is localised but varied.</p>
Our aim:	<p>Access Your Care provides dynamic, premium domiciliary care services 24 hours a day, 365 days a year. The wide range of home care services that we offer are tailored to suit clients' unique needs and ensure they are able to live independently at home with dignity.</p> <p>Our 'Response24' service provides a service for North Somerset Councils monitored alarm service, Carelink. The service responds to pendant activations 24 hours a day when local contacts are unable to attend. The service also works closely with North Somerset Community Partnership Rapid Response team assisting them with patients who have fallen or to prevent hospital admissions.</p>

Main duties and key responsibilities

Specific Duties

- To provide a sitting service to ensure a safe environment for clients across North Somerset
- To assist service users with specific care needs as defined in their individual care plan. Duties may include, but are not restricted to: Washing and bathing, assisting clients to dress and undress, oral care, eye care, catheter care and pressure area care. *(Please see staff handbook for further information regarding duties Community Care Assistants are able to perform)*
- To assist clients with mobility problems and/or other physical disabilities including incontinence, to use aids and personal equipment i.e. hoists, assistive technology etc. in line with individual care plans
- Ensure clients retain individuality and personal dignity by promoting high standards of care, treating them with the utmost respect and encouraging/enabling independence where appropriate
- Report any concerns to line manager regarding significant changes to client's health or care plan
- Recording accurate, relevant and factual written notes of your time with the client in line regulatory requirements
- To communicate effectively with clients and other professionals ensuring confidentiality is maintained at all times

Other duties/responsibilities

- To have accurate knowledge of the company including the structure of the organisation and services provided
- To learn company policies and procedures and ensure these are followed continually throughout employment
- To understand and comply with both company and legislative requirements regarding confidentiality and data protection
- To complete all mandatory training, undertake regular updates and maintain awareness of best practice
- To attend staff meetings as required and attend supervision/annual appraisal meetings with line manager
- To represent the company in a professional manner at all times, on the telephone, face to face or in written communication

Safeguarding and Safety

- To attend safeguarding training and have knowledge of company and local policies relating to safeguarding
- To have the ability to identify potential or actual abuse, to be able to take appropriate preventative measures and respond to allegations of abuse
- To report any safeguarding concerns, untoward incidents or accidents to your line manager in accordance with company policy
- To identify risk of infection or contamination and alert concerns to your line manager for further assessment
- To ensure equipment is safe and fit for purpose if included in the care plan
- To follow actions identified in risk assessments in accordance with company policies and standard legislative health and safety requirements.

Company Values

Below are our company values that are incorporated into our recruitment process, these are behaviours that are expected from all staff who work at Access Your Care:

Quality of Care – Treating everyone with dignity and respect, promoting and upholding their rights, privacy, health and wellbeing. Understanding and promoting: equality, diversity and inclusion.

Team Work - Working effectively with a range of people both inside and outside of the Company ensuring the delivery of safe, high quality care and support; working in a reliable, trustworthy manner, inspiring confidence in others.

Continuous Development –Identifying and embracing change, readily seeking opportunities to be innovative. Keeping informed regarding Company developments and taking personal responsibility to update own knowledge, skills and experience to improve the quality of care and support provided.

Person Centred - Listening to and recognising the customers' perspective and seeking to understand their different needs. Understanding the importance of customer participation and choice, communicating in an effective and empathetic manner.

Integrity – Honest and open taking responsibility for own actions and ensuring that outcomes are achieved by doing the right thing.
